THE PAN AMERICAN HEALTH ORGANIZATION,
THE INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT,
THE INTER-AMERICAN INSTITUTE FOR COOPERATION ON AGRICULTURE,
THE CENTRAL AMERICAN BANK FOR ECONOMIC INTEGRATION,
CORPORACIÓN ANDINA DE FOMENTO,
THE INTERNATIONAL ORGANIZATION FOR MIGRATION,
THE INTERNATIONAL LABOUR ORGANIZATION, AND
THE UNITED NATIONS DEVELOPMENT PROGRAMME

TO STRENGTHEN COORDINATION ON SUPPORT FOR THE IMPLEMENTATION AND
FOLLOW-UP OF THE MANDATES OF THE SUMMITS OF THE AMERICAS

THE PARTIES TO THIS MEMORANDUM OF UNDERSTANDING, the General
Secretariat of the Organization of American States ("GS/OAS"), the Inter-American Development
Bank ("IADB"), the Economic Commission for Latin America and the Caribbean ("ECLAC"), the
Pan American Health Organization ("PAHO"), the International Bank for Reconstruction and
Development ("World Bank"), the Inter-American Institute for Cooperation on Agriculture ("IICA"),
the Central American Bank for Economic Integration ("CABEI"), the Corporación Andina de
Fomento ("CAF"), the International Organization for Migration ("IOM"), the International Labour
Organization ("ILO") and the United Nations Development Programme ("UNDP") (hereinafter
referred to as the "Parties", and individually, each a "Party"),

CONSIDERING THAT, the Summits of the Americas (hereinafter individually referred to
as the "Summit" and collectively the "Summits") are institutionalized gatherings of the heads of state
and government of the Western Hemisphere where leaders discuss common policy issues, affirm
shared values and commit to concerted actions at the national and regional level to address
continuing and new challenges faced in the Americas;

RECALLING THAT, on March 1995 the Summit Implementation Review Group ("SIRG")
was created. The SIRG is the core management body of the Summits Process and is comprised of
government officials of the countries of the hemisphere, which are represented in the SIRG by their
appointed National Coordinators. The SIRG is presided over by the host country of the Summit,
whose functions include to support the SIRG during the preparations for the Summit and its
implementation period and to oversee the follow-up process and measure implementation of Summit
mandates;
RECALLING THAT, at the Third Summit of the Americas, held at the Quebec City, Canada in 2001, the Heads of State and Government of the Americas identified the need to design a mechanism to assist the countries in the region in meeting the commitments set in the Declarations of Principles, the Plans of Action of the Summits of the Americas, and the resulting mandates;

RECALLING THAT, in response to that call, in June 2001 the General Assembly of the Organization of American States ("OAS"), in resolution AG/RES 1824 (XXXI-O/01), instructed the GS/OAS, through the Summits Secretariat and in collaboration with other relevant multilateral organizations, to coordinate the implementation of the Summit mandates assigned to the OAS, coordinate the monitoring and exchange of information on such implementation and develop clear mechanisms to assess said implementation;

RECALLING THAT, in June 2001 a Letter of Understanding was signed by the GS/OAS, IDB, ECLAC and PAHO to establish a permanent information and coordination mechanism among those institutions ("Letter of Understanding"), and to initiate the implementation of a Joint Summit Working Group ("JSWG"), for a better coordination towards the assistance in the implementation of the Summits mandates;

CONSIDERING THAT, subsequent to the signing of the Letter of Understanding, over the years, the World Bank, IICA, CAF, IADB, CDB, IOM, ILO and UNDP have joined the JSWG, together with the GS/OAS, IADB, ECLAC, and PAHO (hereinafter the "JSWG Member Institutions");

CONSIDERING THAT, it is vital that all the Member Institutions of the JSWG strengthen the coordination and alignment of their activities in order to optimize cooperation and funding opportunities and to ensure consistency in the implementation of initiatives agreed upon by the Heads of State and Government of the Americas;

CONSIDERING THAT, in the Lima Commitment "Democratic Governance against Corruption," adopted by consensus at the Eighth Summit of the Americas held in Lima, Peru, in April 2018, the Heads of State and Government requested the JSWG to assist States of the Americas with resources and technical capacity-building, so that they might implement the Summit commitments and mandates, among them those in the area of strengthening democratic governance and the fight against corruption, including those that refer to implementation of legislation, institution building, training and cooperation;

CONSIDERING THAT, the JSWG seeks to strengthen collaboration and greater exchange of information and technical expertise among multilateral development banks, Inter-American organizations and national agencies, with a view to encouraging efficient use of resources, more-effective program execution, avoiding overlap and duplication of existing mandates, increasing funding opportunities for beneficiaries, and ensuring consistency in the implementation of the Summits initiatives that they have been individually or collectively assigned; and

RECALLING THAT, in keeping with resolution AG/RES. 1824 (XXXI-O/01), the proper functioning of the JSWG requires not only the formal commitment of each of the institutions that are part of it through their technical support, but also an updated body of basic principles and rules regarding the operation of the JSWG,
NOW THEREFORE, THE PARTIES HAVE AGREED to enter into this Memorandum of Understanding (hereinafter referred to as the “MoU”) as follows:
